GUIDELINES FOR STUDENT USE OF THE COMPUTER LAB

Any currently enrolled Mott student may use designated open computer labs for educational purposes. Lab assistants will be glad to help you use the equipment and software. The following user guidelines are intended to define appropriate and responsible use of the computer labs. Observing these rules will insure the maximum availability of computer labs to all MCC students.

1. All students must have a current Mott College Student ID card with current sticker. Guest students must show a current university/college ID.
2. There is a two hour time limit for Internet and Netscape users, with the exception of Westlaw class users.
3. No food or drinks are permitted in the computer lab.
4. No children are allowed in or around the lab or in hallway at anytime. **NO EXCEPTIONS AT ANYTIME.**
5. The computer lab is a study lab, no excessive noise.
6. Copying software from lab computers is absolutely prohibited. This software is licensed to the college and only college copies are permitted.
7. Installation of personal software is not allowed on college computers including games.
8. Rules for printing. All labs are not "pay for print". If the computer lab you are working has free printing your are limited to one final copy.
9. Please don’t ask the lab assistant for tutoring help.
10. No viewing of pornographic material is allowed at anytime.
11. Computer lab use during open lab time is a privilege not a right.
    Inappropriate behavior is grounds for the loss of lab use.
